

Automated Lifestyle Furniture

FROM THE FUSION LIFESTYLE (UK) LTD

Above and below: The patented New York Pop-up TV bed is available in a variety of hide colours. Featuring luxurious full Italian leather, the Super King size bed includes a whisper quiet motorised TV lift, the latest 26 inch Samsung HD ready TV with built-in Freeview tuner, sprung base and a generous compartment for DVD, satellite or games equipment.

Right: The Valhalla TV Cabinet is pictured in a Palisander veneer with either a fully veneered or piano black finish on the doors. Subtle detailing such as the aluminium inlays to the pillars complemented by the fully veneered internal panels and shelves make this a truly first class piece of bespoke furniture.

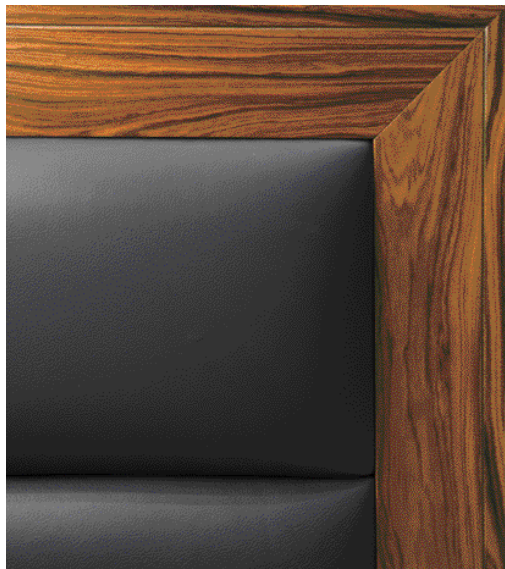

Bed with moveable display unit. UK Patent GB 2 406 506

Right: This is a beautiful bed, made with the finest materials and finished with the greatest of care. The Mandalay Bed is available in any size. It comes in a range of veneers (Palisander illustrated) and a range of coloured leathers (Black illustrated). With the touch of a button these patented beds enable a flat screen TV to appear and retract into the foot of the bed.

Left: The Valhalla TV Cabinet is pictured here in a Palisander veneer with piano black doors. Subtle detailing such as the chromed inlays to the pillars complemented by the fully veneered internal panels and shelves make this a truly first class piece of bespoke furniture.

Above left: We manufacture any bespoke furniture designed by our clients or our in-house team. Fittings include internal and external doors, staircases as well as our range of cabinetry.

Above: We can produce truly unique pieces for your home or office, to suit the size and design requirements you have. Bespoke furnishings from solid wood to paint, veneer and lacquer finishes.

Right: Our Symphony TV Cabinet is pictured in a Wenge veneer finish. The fully veneered internal panels and shelves make this a truly first class piece of bespoke furniture.
